

Bees and Butterflies

From Wiser Now, Inc.

This slide show is excerpted from the MindPlay Connections™ title “Ants, Bees, Butterflies and More.” Use the following slides to learn something new about garden beauties and helpers. Enjoy!

Trivia quiz: Butterfly Beauties

Butterflies are nearly universally enjoyed, but most of us know little about them. This quiz is meant to help you learn more. On the following slides, guess what's true and what's not.

Trivia quiz: Butterfly Beauties

1. Butterflies are found on every continent except Antarctica.

True ____ False ____

Trivia quiz: Butterfly Beauties

1. Butterflies are found on every continent except Antarctica.

True X False
